

TO BEGIN:

Option A: If you know the Smelter Identification Number, input the number in Column A (columns B, C, D, E, F, G, I, and J will auto-populate).

Option B: If you have a Metal and Smelter Reference List name combination, complete the following steps:

Step 1. Select Metal in column B

Step 2. Select from dropdown in column C (wrong combination will trigger RED color)

Step 3. If dropdown selection is "Smelter Not Listed" complete columns D & E

Step 4. Enter all available smelter information in columns H thru P

Mandatory fields are noted with an asterisk (*).

NOTE: A combination of Options A and B can be used to complete the Smelter List tab. Do not alter autopopulated cells. All errors in the Smelter Reference List should be reported to CFSI by contacting info@conflictreesmelter.org.
