Product type:

- [DC-DC Converter Transformers](#)

Price:

71.220

Product Sub-type:

- [Thru Hole](#)

Input Voltage (VDC):

- [12](#)

dc dc contever transformer subtype:

- [Fixed Input Voltage Transformer](#)

dc output bridge:

48

dc output full wave:

24

dc output dual bridge:

24

max power out -55 to +105:

- [3](#)

max power out -55 to +70:

4.5

approximate switching frequency self-saturated:

20

approximate switching frequency square wave driven:

40K TO 60K
